Eureka County has the following used personal property available for sale or grant to a Nevada permitted small water system, serving 3,300 or fewer persons.

- 1 250,000 gallon storage tank, dismantled
- 1 Aqua Boost duplex pressure system with fire pump
- 4 Medium size pressure tanks
- 1 Large holding tank
- 1 Small metal shed
- 1 Lot of miscellaneous plumbing components

All of the above items are used and will be sold or granted on an as is, where is basis. The items are located two miles North of Eureka, Nevada and must be removed within 30 days of the sale or grant. Eureka County will have equipment and personnel available to load items. Transportation of the items is the sole responsibility of the buyer or grantee. Interested systems are encouraged to inspect the items during normal business hours of Monday – Friday from 6:00 am – 4:00 pm. Items will not be sold or granted individually or in separate lots, you must take all or nothing.

Interested small water systems should mail or fax a letter of interest or bid by 4:30 pm local time on September 30, 2011.

Letter of interest should describe your systems need for the equipment, schedule to install the equipment and be signed by your systems financial officer and/or operator of record. Eureka County will review all letters of interest and forward a recommendation to the board of Commissioners for a final decision. Recommendation for award will be based on your systems needs and schedule for installation. In all instances the decision of the Board of County Commissioners shall be final.

Letters of Interest and/or questions shall be directed to:
