

Beatty Water & Sanitation District

Job Announcement

Beatty Water & Sanitation District (BWSD) provides Water and Wastewater services to a community of 1,000 residents and is seeking a General Manager. The GM will oversee all operations to ensure that staffing, daily operations, facilities, financial reporting/budgeting and future planning are handled appropriately. The GM shall oversee reporting structures such as water resources, environmental compliance, and the treatment, collection and distribution of water/wastewater. The GM will manage departmental policies, create long term plans, and manage the budget.

Required qualifications: Bachelor's degree preferred, five years management experience, or combination. Treatment 2, Distribution 2, and Wastewater I certification for the State of Nevada required at the time of hire or ability to obtain in a reasonable time.

Offers a competitive compensation package. Email resume and cover letter to bwsdap@att.net or mail to the BWSD, P. O. Box 99, Beatty, NV 89003. Position open until filled. Additional information at BWSD 775-553-2931.
